

The Old School

Mishicot, WI

Welcome!

Enter the hallowed halls of the combined grade school and high school that so aptly served the Mishicot School District from 1905 until 1979. Much as it was with laughing school children after the turn of the century, it now echoes with the sounds of cheerful visitors in its classrooms and corridors.

Visualize specialty shops, art galleries boasting of local & national talent, crafts, museums, clothing, jewelry, books, furniture, and the Cellar Deli. All of this & more awaits your visit to

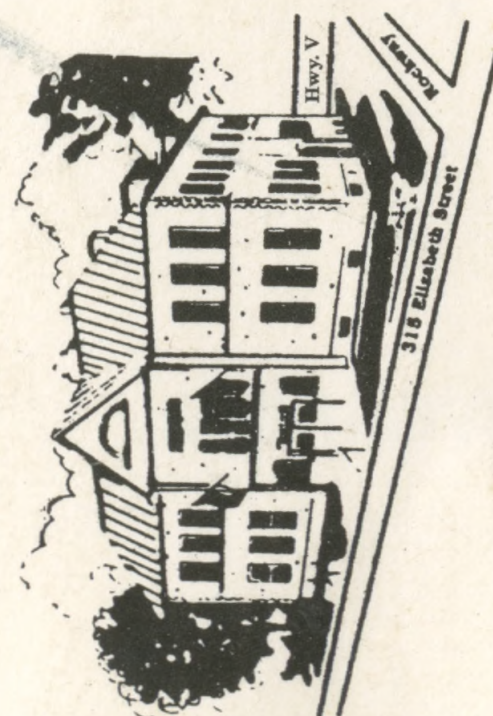

The Old School.
